

Janco Welcomes New E-Commerce Business Partner – Manning's

24/10/2019

Janco is proud to announce the contract signing with Dairy Farm Group to fulfill Manning's cross-border E-commerce orders from consumers in Greater China. This is another milestone of Janco Group in E-commerce development within Greater China after the recent co-operations with Cainiao from Alibaba Group (阿里巴巴集團旗下菜鳥物流), Bonjour (卓悅化妝品) and CRCare (華潤堂).

Janco has made vast investments in building infrastructure and capabilities in online and offline order fulfilment and distribution in recent years. These strategic investments are starting to yield returns for the Group. Janco anticipates over 300,000 orders will be fulfilled during the coming 2019 Double 11 Shopping Festival. These achievements further endorse our investment plan and our strategy to diversify our services.
