09/12/2019

L'Oreal is officially onboard Janco. Janco has been awarded logistics contract by L'Oréal to handle pre-retail value-added services for its products in Hong Kong.

L'Oréal is the world's largest cosmetics company and has developed activities in the field concentrating on hair colour, skin care, sun protection, make-up, perfume, and hair care.

Janco is proud of gaining the trust from L'Oréal after a severe tender contest with top 3PLs. Many more good news are expected to come!
