

VAS 1,000,000 units of Health Food Nutrients into market after Chinese New Year 2020

10/02/2020

The unprecedented Coronavirus is spreading fast. People are more health cautious to enhance immunity. Demand for health food supplements and nutrients rapidly upsurges across China. From the first work-day after Chinese New Year, Janco entrusted to VAS 1,000,000 units of health food supplements and nutrients into the market. Hygiene and health safety are also top priority at work. Let us all fight the virus and pray for earliest ending of the epidemic.
