

618 Mid-Year Shopping Festival E-Commerce Logistics Solution

24/06/2020

Janco E-commerce team has fulfilled over 600,000 online cross-border orders during 618 Mid-Year Shopping Festival.

Janco Group provides a comprehensive E-commerce logistics solution for local and international orders. Jandoor, part of Janco Group is an official service provider for Cainiao, Alibaba Group , handling order fulfilment for OTC (Over-The-Counter) drugs and general goods. Janco warehouse infrastructure has proven processing capacity of hundreds of thousands of on-line shopping parcels daily. In addition, Janco Logistics is also specialised in handling big-scaled FMCG, healthcare, pharmaceutical, beauty-care, mother/baby-care, clothings and electronic products.

The 618 promotion once again embodied the post-epidemic consumption power in Greater China. On-line retail is growing rapidly and the trend continues to accelerate slicing larger market share from the traditional retail.
